A community that honors, respects and cares for older adults

Hello Friends of Peninsula Shepherd Center!

PSC is **FINALLY** going to receive our new wheelchair accessible van! We are signing the final paperwork and are looking to take delivery during March. Thanks to all of you that donated to our Van Campaign in 2021! Our van has been delayed over a year and a half due to supply chain issues and unfortunately our original match requirement has increased as well. Thankfully, a long-time donor and supporter of PSC has generously stepped up to provide the additional \$5,000 we need to complete the purchase. This donor is keenly aware of the financial challenges that face PSC and other non-profits and we are forever grateful for this amazing contribution to keep our Out & About Peninsula Senior Transportation program running.

A few highlights for the month:

- PSC is excited to host our **Saint Patrick's Day Lunch Bunch! Bill Cobb** will be entertaining us with Irish songs and a sing a long! Join us for corned beef, cabbage, potatoes and dessert!
- **PSC Launches our FACEBOOK page!** We are excited to roll out our own Facebook page and invite you to check it out! To check our Facebook page, search for "Peninsula Shepherd Senior Center" or follow this link: <https://www.facebook.com/profile.php?id=100089100624490>
- **SAVE THE DATE!** Manager Adam Zack and Jensen's Markets are graciously hosting a **Wine Tasting Fundraiser for PSC on May 25th**.... a few details are inside!
- Also, planning ahead for **Summer Celebration!** This year we will be hosting on **Saturday, June 24th**.... Our committee is hard at work planning a fabulous day for all!
- Also, thank you to those of you who have donated to **PSC's Fall Campaign. If you have not yet sent in your donation there's still time!** Please consider supporting PSC as you have done so generously in the past. Together we will make sure **local seniors stay independent and active in their homes for as long as possible.**

Thank you for your wonderful support of PSC activities and events. **Happy Saint Patrick's Day! Lisa**

Attention Women Over 60!

The Shepherd Centers of America is inviting members and Friends of PSC to in participate in an exciting new face and body products trial for women over 60! Dr. Adam Aronson from **OneSkin Technologies** is now recruiting **healthy women aged 60 and older** for a 3-month trial of OneSkin face and body products! A presentation for prospective participants will be scheduled to provide information and answer questions.

For the study, participants will use a topical product (face and body) twice a day for 3 months. There is some testing that takes place at the beginning and end: photographs of face and forearms, non-invasive and painless skin instrument tests, and a blood test to measure inflammatory markers. There are also monthly 5-minute questionnaires during the study. The study is randomized, double-blinded, and placebo-controlled, which means there is a 50% chance of receiving the OneSkin products and 50% chance of receiving fancy moisturizer. Everyone will receive a 1-month supply of OneSkin face and body products at the end of the study period as a gift for participating.

Please contact Lisa at (619) 223-1640 if you are interested in learning more about this exciting opportunity!
